Reference:-

In G.O.Ms.No.816, Public Works Department, dated 22-1-51
Kudligi in Bellary district was declared as an unhealthy locality as
defined under Rule 10 of Part I of the Manual of Special Pay and
Allowances. The Government servants working at Kudligi are eligible
for the special pay for unhealthy localities for their service in such
localities.

The Deputy Commissioner, Prohibition (Enforcement), Northern
Division, has reported that the Government servants of all the depart-
ments except that of the Prohibition department working at Kudligi are
paid unhealthy localities special pay at the rates admissible under the
Manual of Special Pay and Allowances, and he has requested that the
same benefit may be extended to the Government servants of the prohibi-
tion department also. The sanctioned strength of the prohibition staff
stationed at Kudligi is 1 Sub-Inspector, 1 petty officer and 12 prohibi-
tion guards. Among them 1 prohibition guard is reported to be a native
of Kudligi and is domiciled there and he will not be eligible for the
special pay if it is to be granted. The financial commitments in this
regard will be reported to the Government separately.

Kudligi was declared as an unhealthy locality with effect
from 22-1-51, and so the Government servants working there are eligible
for the special pay with effect from that date. The Board requests,
that the Government may be pleased to accord sanction for the drawal of
special pay by the prohibition staff working at Kudligi from 22-1-51
at the rates admissible under the Madras Manual of Special Pay and
Allowances.
